

ORTHODONTICS FOR KIDS

Orthodontics and Implantology

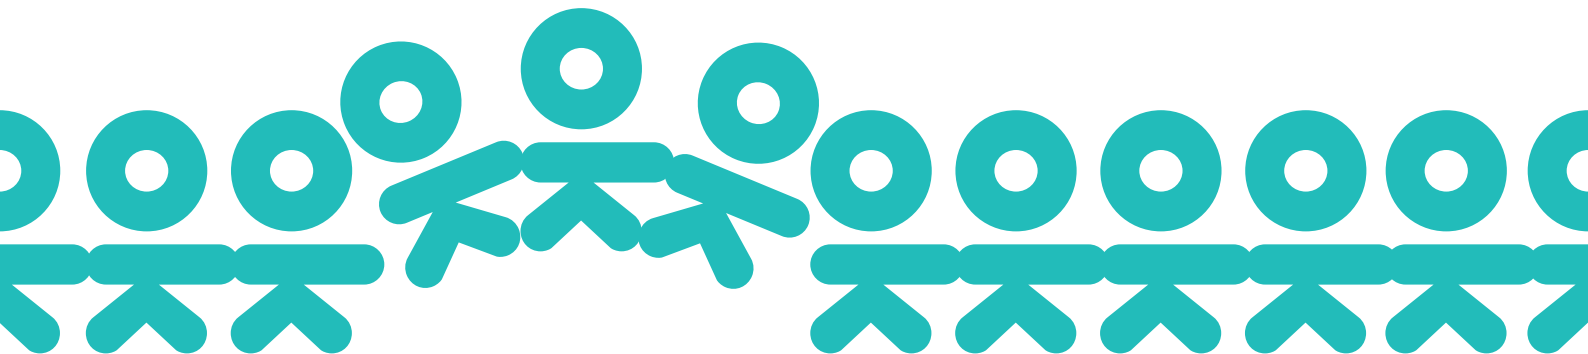

“A CHILD WITHOUT SMILE IS LIKE A GARDEN WITHOUT FLOWERS”

IN THE 70S ALESSANDRO POZZI PROMOTED ORTHODONTICS FOR KIDS THROUGH THIS SENTENCE, OUTLINING LEONE AND PROFESSIONALS MISSION: “GIVING CHILDREN THE WONDERFUL GIFT OF SMILE IS UP TO NATURE, BUT PRESERVING THIS GIFT IS OUR DUTY TOO.”

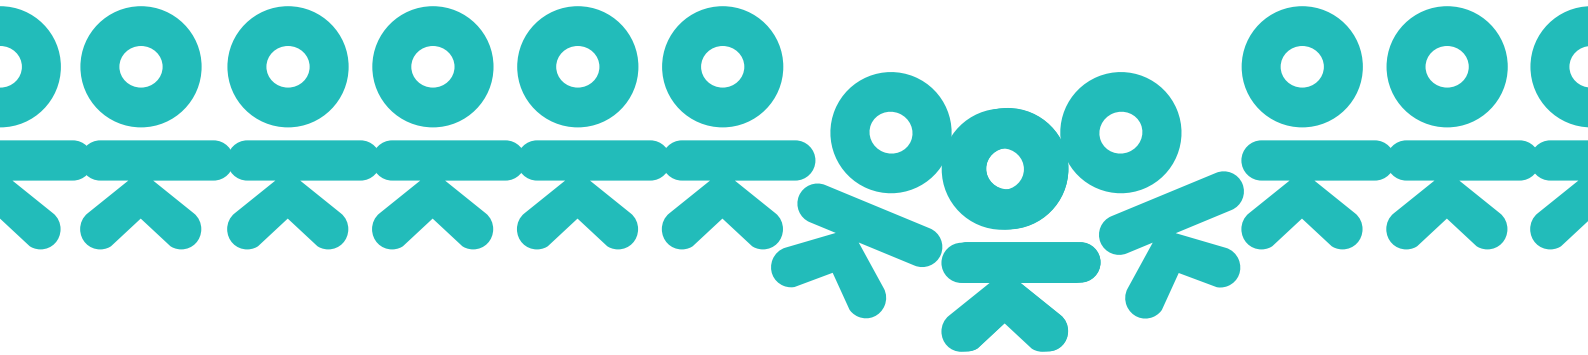

IN THE LAST 40 YEARS ORTHODONTICS HAS MADE GREAT PROGRESSES IN THIS SENSE, THANKS TO NEW TECHNOLOGIES DEVELOPMENT, CAPACITIES OF EXCELLENT PROFESSIONALS AND NEW DEVICES WHICH ARE NOWADAYS AVAILABLE ON MARKET. ON ITS PART, LEONE SPA DESIGNS AND MANUFACTURES HIGH QUALITY ORTHODONTIC PRODUCTS TO REALISE APPLIANCES WHICH ARE INCREASINGLY APT TO PROFESSIONALS' DEMAND.

ORTHODONTIC TREATMENTS FOR KIDS ARE CONSTANTLY RISING BECAUSE TODAY, MORE THAN IN THE PAST, FAMILIES PAY MUCH MORE ATTENTION TO THEIR CHILDREN'S ORAL HEALTH. FOR THIS REASON, LEONE SELECTED AND GOT TOGETHER SOME PRODUCTS DEDICATED TO LITTLE PATIENTS TO FACILITATE THE PROFESSIONAL DURING THE CHOICE OF THE RIGHT THERAPY; MOREOVER, THE IDEA AND THE PHILOSOPHY CREATED BY ALESSANDRO POZZI ARE BOTH HIGHLIGHTED AND ACTUALIZED IN THE PICTOGRAM OF THE LOGO **OK – ORTHODONTICS** FOR **KIDS**, WHERE THERE IS THE SAME CHILD SILHOUETTE OF THE ONE ALREADY PRESENTED ON THE COVER OF THE FIRST ORTHODONTICS PRODUCTS CATALOGUE OF 1973.

LEAF EXPANDER®
